

CV ANDREA EVOLA

Andrea Evola graduated with a degree in electronic engineering from the University of Pisa before going on to work for Piaggio Group in the purchasing area both in Italy and abroad, gaining increasing responsibility.

He joined Piaggio Group in 2003 as a Senior buyer, before spending the years between 2008 to 2011 working abroad, first as Purchasing Manager Global Sourcing China-Taiwan-Vietnam and subsequently as Head of Global Sourcing India. He returned to Italy in April 2012, taking on roles of increasing responsibility until he was appointed Head of Purchasing for Materials and Components for Piaggio Group in June 2017.

He has been Head of Group Purchasing since November 2018.
